Dear Sirs:

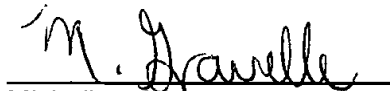

**Re: United States Patent Application No. 09/762,294**  
**International Application No. PCT/CA99/00746**  
**International Filing Date: August 12, 1999**  
**Entitled: HIV Vaccine**

We enclose a copy of a "Withdrawal of Previously Sent Notice" that was mailed on November 27, 2001 and that our office received on December 7, 2001. The Notice advises that a corrected Notice is enclosed although nothing was attached to the Notice. We have tried on several occasions to contact the Patent Office in order to get clarification of what is outstanding and have not yet received a reply. Consequently, we still do not know what is outstanding on the file and the deadline for responding to the corrected Notice. Please provide this information as soon as possible.

We look forward to hearing from you.

Respectfully submitted,

**Chil-Yong Kang and Yan Li**
